

CHANDELIERS

A chandelier or a centrepiece is a great amalgam of material and design. The design sensibility and material quality assurance of each part of a chandelier ensure that it stays new and retains its aura for many years to come.

Chandeliers bring out the grandeur of your home in a manner that they inspire the onlookers. A perfect chandelier can accentuate the design context of your entire home.

With Philips' handpicked and curated collection of chandeliers, lighting moves into a different league. A league where art, design and technology come together to create an experience that lives up to individual design preferences.

Philips has a nice assortment of chandeliers covering Contemporary, Crystal & Heritage designs to match your taste and aesthetic sensibilities.

The refined art of elegance,
now in a new light.

Light up your lifestyle today

You've built a home, and lovingly furnished it to make it your own. A lush sofa set to lounge in comfort, an elegant dining table for family meals and sleek cupboards to hold your possessions. However, no home is complete until the lights are turned on, to bathe everything in an amazing lighting.

Philips has lights for every style. For a proud homeowner, Philips offers its exquisite Home Lighting collection consisting of varied design themes like modern, contemporary, and timeless classics. Choose the products according to the design theme and bring elegance to your home decor.

Elevate

Model No.: 800094

Dazzling effect on double-height ceilings

Light up your double-height spaces with Philips Elevate 8-head pendant! What sets Elevate apart from others is its unique 'lustre' finish, which adds a touch of luxury and enhances the visual appeal of any room. The high-quality glass ensures that the light emanating from the fixture creates a warm and inviting atmosphere, and its 12 feet (maximum) height ensures that it dangles beautifully from the high ceiling.

- Easy-to-assemble spiral design with varying wire lengths
- High-quality lustre-coated glass for a warm light effect
- Durable stainless steel body for lasting quality
